

BTEC Health and Social Care Tech Award Level 1/2

What are the aims and intentions of this curriculum?

The Year 10 curriculum builds detailed understanding of human growth and development and care values, introducing externally assessed content. Students begin applying theory to real-life situations, strengthening analytical writing, application of knowledge, and exam technique, while completing Component 1 and starting Component 2 coursework.

Term	Topics	Knowledge and key terms	Skills developed	Assessment
Autumn 1	Component 1: Human Lifespan Development, Life stages, PIES Across Life Stages, Physical Development	<p>Students will explore different aspects of growth and development and the factors that can affect this across the life stages.
