

GCSE RESULTS 2022

ACCELERATED LEARNERS AT PARKSIDE

Year 11 students at Parkside Studio College achieved excellent GCSE, BTEC and VTCT results. Students have shown resilience throughout the year and their grades reflect the hard work and dedication that they put in. Parkside's excellent and committed team of teachers have been really supportive and the extra timetabled sessions that were offered to provide boosters for all students before, after and during breaks have also helped our students to achieve success. Some of our successes are shown in the tables:
