

Sea Cadet STEM (Science, Technology, Engineering, Mathematics) Challenge!

As part of our commitment to promoting STEM (Science, Technology, Engineering and Mathematics) students in Years 9 and 10 took part in an exciting STEM challenge in partnership with the Sea Cadets.

Students were initially asked for their ideas on buoyancy before moving on to relate these to unknown situations, then they proceeded to learn through practical activities and experiments about buoyancy, density and displacement. Students became engineers for the day, and worked in teams to design and build a ship which is stable in water while carrying as much cargo as possible. Students had a lot of fun learning about buoyancy and the careers available in Marine Engineering through hands on activities!

Upcoming Enrichment Week

The next Enrichment Week will take place from Monday 7th November through to Friday 11th November. Students in Years 9,10 and 11 will be invited to attend sessions to support them in catching up with their learning. Letters will be sent home to parents, guardians and carers with full details of the intervention classes, activities and catch-up sessions. If you have any questions or require any further information, please do not hesitate to contact the College.

Media Trip to PS London - 9th November

On Wednesday 9th November, all Media students will have the opportunity to take part in a visit to PS London, as part of a subject enrichment activity. Students will be travelling to and from the venue via public transport, school uniform does not need to be worn for the trip, however sensible attire should be worn. Students will need to bring a packed lunch. If you would like further information about the trip please contact the College office.

Brooks Education Body Image Presentation

On Thursday 17th November, a representative from Brooks Education will be coming to Parkside to deliver a Body Image presentation to students in Year 9. The representative delivering the session has been trained in delivering these presentations in a sensitive and professional manner.

Black History Month

Black History Month is the annual celebration and commemoration of moments in history, achievements and contributions that Black people have made. First brought to the UK in the 1980s, Black History Month was initially introduced to the country by a member of the Greater London Council, Akyaaba Addai Sebo. Since 1987, Black History Month has been celebrated annually in the UK, to eradicate discrimination and encourage racial equality. At Parkside Studio College, we will be honouring the contributions made to society by people of Black heritage and their communities.

Meal Choice 2	Guorn Nuggets with Oven Cooked Chips and Beans	Vegetarian
Meal Choice 3	Baked Jacket Potato with Various Fillings	Vegetarian
<i>The daily dessert choices will be as follows: Fresh Fruit, Yogurt, Jelly or Ice Cream pots</i>		

National Bullying Prevention Month

National Bullying Prevention Month is a month-long event to prevent childhood bullying and promote kindness, acceptance and inclusion. At Parkside Studio College, we all have a role to play whether we are children, parents, guardians or carers, teachers or college administrators. Positive change comes as we begin to emphasise respect and inclusion in our school and community. This month, try to reach out to a classmate, especially those who appear to be struggling. Children will not only learn about the different forms of bullying, but also how to report it when they see it in order to prevent others from suffering in silence. Talk to your child about bullying and please report all concerning disclosures to the Principal.

	November 2022	
NOVEMBER		
Monday 7th to Friday 11th	Enrichment Week
