

November Enrichment Week

Monday 7th through to Friday 11th November was Enrichment week at Parkside Studio College. During the course of the week students in Years 9 and 10 took part in a range of intervention and booster sessions which were carried out to further support them. Our Year 11 students were offered revision sessions in preparation for their upcoming trial examinations. Support was also offered to those students whose English is a second language to access our curriculum more easily.

It was a thoroughly enjoyable and highly productive week for all.

Post 16 Open Evening - Wednesday 30th November

The Rosedale Hewens Academy Trust is excited to announce its Post 16 Open Evening to support all local young people in choosing the best possible pathway for success, as they work towards graduating from their secondary education. The evening will aim to guide parents, guardians, carers and prospective students through The Trust's Post 16 offer, where they will be taken on a journey through the four colleges within The Trust and guided through the different curriculum areas, demonstrating what Post 16 teaching and learning looks like, as it is a step up from GCSE. From the wide variety of subject areas on offer, students and their families will be able to gauge the examination boards used, the modules covered in both Year 12 and 13, and will receive a comprehensive overview of what the course demands from its students.

The event promises to be informative and enlightening for all. From the career-focused courses offered at The Trust to our extensive enrichment opportunities, students and their families are invited to join us on Wednesday 30th November at 5:30pm to 7:45pm at Rosedale College to find out just what makes Post 16 at The Rosedale Hewens Academy Trust an offer that cannot be missed! The Director's Speeches will take place at 6:00pm and 7:00pm.
