Dear Parent, Guardian or Carer

Re: Enrichment programme and academic year

I am writing to confirm forthcoming arrangements as they relate to the remainder of this academic year 2020/21.

As you will appreciate, since schools were given the mandate to re-open fully, it has been necessary for the College to review its schedule and revise plans for the remaining weeks of this term. This is to ensure we are well placed to maximise enrichment opportunities for our students and also provide as much continuity of learning as possible in terms of face-to-face teaching.

With the above in mind, our rescheduled enrichment programme will be a blend of virtual and face-to-face activities, with identified students given project-based work and tasks by their teachers. Therefore, your child will be advised by their form tutor well in advance of all specific and relevant online activities they are required to attend as part of the overall revised schedule. It is extremely important that your child takes full advantage of all bespoke sessions in place.

Should you require any further information, please feel free to contact the College as soon as possible. In the meantime, you are asked to note the following key dates which relate to the end of this academic year:

Tuesday 4 th to Friday 21 st May 2021	College in session
Monday 24 th to Friday 28 th May 2021	Enrichment programme
Monday 31st May 2021	Bank Holiday
Tuesday 1 st to Friday 25 th June 2021	College in session
Monday 28th June to Friday 9th July 2021	College closure
Monday 12 th July to Friday 6 th August 2021	College in session
Monday 9th to Friday 20th August 2021	College closure
Monday 23 rd August 2021	New academic year begins

I hope this is helpful and that you and your family remain safe and well. Thank you for your continued support.

Yours sincerely
