

## February Enrichment Week

Monday 11th to Friday 15th February was Enrichment week at Parkside Studio College. During the course of the week students in Years 9, 10 and 11 took part in Science, Maths English, Business and ICT Intervention Sessions. Options staff also invited students in to catch up with coursework and to go through work which they may not be too sure about. Overall the Enrichment Week proved to be successful and students involved provided positive feedback.

## British Science Week

British Science Week will take place from Friday 10th Sunday 19th March 2023, to celebrate all subjects related to Science, Technology, Engineering and Mathematics (STEM).

There are lots of ways in which you can get involved, through completing activity packs, designing a STEM poster and by recognising and celebrating people's career achievements in the field of science and engineering. For more information, please click on: [<https://www.britishtscienceweek.org>].

## Global Recycling Day

On Thursday 18th March, the world will come together to celebrate Global Recycling Day; a day dedicated to recognising the importance recycling plays in preserving precious resources and securing the future of our planet.

## Absence Reporting

In the event of your child being unable to attend college, please contact the main reception on 0208 573 2097 before 8:00am. In order for the College to ensure that all students are properly safeguarded, it is important for you to follow this procedure for every day your child is absent. The only exception to this is for extended periods of illness where the period of absence is explained in a note from your child's doctor or hospital. The College is required to account for all absences so please ensure your child brings a letter that verifies the reasons for their absence on their return to college.

## Appropriate Footwear

Students wearing appropriate footwear in college is essential, not only to comply with our published expectations in terms of uniform, but also to avoid inappropriate footwear such as boots and open toe sandals in college. Obviously, if the weather is inclement, it is sensible for students to wear boots to and from college. However, they must change into black shoes on arrival. The Rosedale Hewens Academy Trust cannot accept any liability in circumstances where issues emerge due to inappropriate footwear. Your support in this matter is appreciated.

## Traffic Congestion outside the College

Please can we reiterate that no cars are to be parked on the double yellow lines, up on the pavement or on the 'keep clear' areas. Cars should also avoid turning in the road, as this is leading to congestion in both directions. We appreciate that many students are not using public transport at this time, and would ask those who must come by car and are unable to walk, to be dropped off at the designated time with no waiting. Residents of Wood End Green Road have complained to the council, and we do anticipate that Traffic Enforcement Officers may be deployed. Thank you for your continued support.
