

Year 10 STEM Challenge

On Friday 17th February, students in Year 10 took part in the STEM challenge final by putting their models to the test! The task was to elevate a cup off the ground to above the height of the table using wind power. Congratulations to Michael for fully elevating the cup and also to team Corey for getting the cup half way.

Perseverance and resilience were the key to this task.

Trial Examinations - Year 11

Trial Examinations for all Year 11 students will take place from date to date. All examinations will take place in the location.

It is of vital importance that each student arrives at college at time each day, in full college uniform and with the correct equipment.

For Science and Mathematics examinations, they must have a calculator, ruler, pencil and a geometry set. Students must also bring a black biro to each examination. Mobile telephones and other electronic devices are NOT PERMITTED to be taken into the examination rooms.

In the event of illness or an emergency situation that prevents your child attending one or more of the examinations or if they are going to be late, please make contact with the College as soon as possible so that appropriate advice can be given and arrangements put in place.

Students will not have study leave during this time, so are expected to attend normal lessons when not in an examination.

Leading Parent Partnership Award

The College continues to work towards its LPPA reaccreditation. Our coordinator is Karina Porter. Please be on the look-out for updates about our LPPA journey!
