

## Year 9 and 10 STEM Stixx Even

On Wednesday 15th March, students in Years 9 and 10 took part in a STEM event as part of British Science Week. The event consisted of various STEM challenges which were delivered by STEM guru Jeremy King! Jeremy is a retired civil engineer who was able to talk about numerous projects that he has worked on over the years, from building his own home to engineering and overseeing the build of hotels, office blocks and even a huge section of the M25.

Students took part in a shelter building challenge where they had to build a shelter out of rolled up newspapers that can hold 6 people, this was followed by an enterprise challenge where they had to design, market and make a household item that could be pitched to the Ikea purchasing team. Students worked well together in small teams and came up with some wonderful ideas!

## Year 11 Parent, Guardian and Carer Examination Information Evening – Revised Date

Year 11 Parent Examination Information Evening will now take place on Thursday 6th April from 5:15 pm to 6:15pm in the Parkside Café. During the evening, parents will be able to ask any questions that they may have in relation to their child's upcoming GCSE examinations. The evening will address topics such as examination dates, intervention, revision strategies, supporting your child, and further education. Revision material and revision guides will also be provided to help with your child's revision. These guides will only be issued to parents, carers and guardians that attend the evening.

## College Closure

Please note that from Monday 27th March through to Friday 31st March, the College will be closed for our half term holiday. College recommences at the normal time of 8:45am on Monday 3rd April 2023. Thank you

## Bank Holiday

Please note that Monday 10th April is a bank holiday, therefore, college will be closed and will resume on Tuesday 7th April at the normal time of 8:45am.
