

## Year 11 Parent Exam Information Evening

On Thursday 6th April, parents of students in Year 11 attended the annual Parent Exam Information Evening. During the evening parents received valuable information about their child's upcoming GCSE examinations. Parents were given the opportunity to ask any questions they may have as this can be a very stressful time for both parents and students.

Students were given a revision pack to take away which included revision guides, samples of revision timetables and the examination dates. Thank you to the Year 11 parents for making our Examinations Evening a success, we appreciate your support as we head towards examination season.

## Academic Tutoring

Academic Tutoring will take place for students in Key Stage 4 on Tuesday 18th April. A separate communication to confirm these appointments will be sent out to parents, guardians and carers in due course. If you have any concerns in regard to your appointment, please contact your child's form tutor via the College office.

## Upcoming Enrichment Week

The next Enrichment Week will take place from Monday 8th May through to Friday 10th May. In order to give Year 11 students every opportunity for success in their forthcoming public examinations, they will be invited to attend college during this time for both intervention classes and enrichment activities. Year 10 students who need to catch up on coursework will also be invited to attend for personalised support and also to take part in planned enrichment activities. Letters will be sent home to parents, guardians and carers, with full details of the intervention classes, activities and personalised support sessions in due course. However, if you have any questions or require any further information, please do not hesitate to contact the College on 020 8573 2097 ext 2.
