Trip to Wembley Stadium

On Monday 27th November, students in Year 9 and 10 had the opportunity to take part on a trip to Wembley Stadium. Whilst at the Stadium students took part in a guided tour which started in the players lounge and took the students behind the scenes of the stadium, this was followed by an interactive workshop that focused on the components of fitness, the activities mirrored what has been taught in the BTEC Sport Science Curriculum.

Students were also allowed access into the players locker rooms and press room before lining up in the tunnel to walk out onto the pitch, they were given information and taken to the manager's technical area and into the royal box where they were able to get the best view of the stadium. Students commented on how much they had enjoyed the day. Thank you to Mr Hood and Mr Downes for their support in supervising this trip

Attendance

We would like to remind parents, guardians and carers that research shows there is a clear link between the attendance rate of students and their level of attainment. Please support your child to attend regularly by ensuring that any medical or other appointments are organised outside of college hours. The expectation of the governing body is that all students will achieve a minimum annual attendance rate of 96%. The only circumstances in which absence from college will e authorised are when your child is too ill to attend or permission for leave of absence, due to exceptional circumstances, has been recieved from the Principal.
