

Year 11 Hospitality

The Hospitality students have been excelling in both their practical and theory lessons this term. They have been studying The Hospitality and Catering Industry, looking at the various job roles within the industry. Using the knowledge gained in the lessons about the kitchen brigade, they were inspired by this concept and wanted to embrace the responsibilities and role play some of the duties of the different types of chefs learnt about, including a saucier (sauce chef) and Garde Manger (pastry chef).

They have also engaged in discovery learning on the UK's restaurant managers and their successes in the industry, whilst improving their skills in the kitchen! The most recent culinary delight they produced was a batch of savoury and sweet scones, customised using a range of ingredients such as dried fruits, carrots, cheese and nuts.

Student Photograph Orders

The individual student photograph proofs have now been received by the College and will be provided per child by Monday 4th October to take home.

Orders will be limited to online ordering, directly to Fraser Portraits via [https://orderphotos.co.uk/school_downloads], or over the phone at 01202 692433. You will be required to log in with your account details or enter your proof card identification/registration code to be able to make payments.

Orders must be placed by Monday 18th October in order to receive free delivery back to the College. Please note that these will not be delivered until the beginning of November.

Unfortunately, any orders received after this date will need to be ordered directly to Fraser Portraits and will incur an additional surcharge of £4.00 per pack. For all orders placed after the deadline date, packs will be sent directly to your home address.

Precautionary Measures for Coronavirus

Please note that although it is not mandatory, students are still encouraged to wear face masks, maintain social distancing and perform regular handwashing throughout the day. In addition to these precautionary measures, the College are also anticipating the provision of the new carbon dioxide monitors launched by the government. The programme will provide sufficient monitors to take readings from across indoor spaces within the College to allow staff to identify where ventilation needs to be improved and let fresh air in, therefore removing air that contains virus particles and reducing the transmission of COVID-19.

Please note, we have updated our Coronavirus - Advice and Guidance page with this information. To keep updated with the latest guidelines and the new implementations made around the College, please visit: [<https://www.parksidestudiocollege.co.uk/129/coronavirus-advice-and-guidance>].
