

Year 11 Biology Booster Session

During the May Half Term, students in Year 11 came in to take part in a Biology Booster Session; going over the required practicals is always a good strategy prior to the examination. Thank you to Miss Porter and Mr Fagon for organising the session.

Public Examinations - Year 11 and Post 16 students

The timetable of public examinations for the summer series has now been published and commences the week beginning Monday 6th May 2024. It is of vital importance that each student attends college fully prepared for each examination, and at least 30 minutes before it is scheduled to commence. Students are required to attend all examinations in full college uniform and with the required equipment. The use of mobile telephones and other electronic devices are NOT PERMITTED in the examination hall including smart watches. Therefore it is requested that students do not bring these items to college when they have an examination. If students do need to have any such devices with them, they must hand them to the invigilation staff at the start of each examination. Failure to do so may result in disqualification from the examination.

Students must attend the examination(s) for which they have been entered. In the event of illness or an emergency situation that prevents your child attending or means your child will be late, please make contact with the College as soon as possible so that appropriate advice can be given and arrangements put in place. Please note that your child's final examination grade will be adversely affected if he/she fails to attend a scheduled examination.

E-Safety

The internet is an amazing resource, which enables students to connect, communicate and be creative in a number of different ways on a range of devices. However, students need constant advice and protection when it comes to managing their time online. They need strict guidance to positively and safely access information on the internet, communicate via social networks, use applications and play games. At college, students' online activity is monitored very closely and strict software security programmes are installed to prevent students accessing inappropriate content. We advise parents, guardians and carers to reinforce the important message of staying safe online when they are at home. Please ensure your children understand the rules you put in place to keep them safe. Talk to them on a regular basis about what they are looking at online and ensure that you install appropriate software to support and manage your child's safe use of the internet. Keep your child safe online!

Appropriate Footwear

Students wearing appropriate footwear in college is essential, not only to comply with our published expectations in terms of uniform, but also to avoid inappropriate footwear such as boots and open toed sandals in college. Obviously, if the weather is inclement, it is sensible for students to wear boots to and from college. However, they must change into black shoes on arrival. The Rosedale Hewens Academy Trust cannot accept any liability in circumstances where issues emerge due to inappropriate footwear. Your support in this matter is much appreciated.

	Week Commencing: Monday 17th June MENU 4
---	---

MONDAY
