

Open Evening Success: A Night to Remember!

We are thrilled to share the success of our recent Open Evening, which was a vibrant showcase of our diverse programs in Hair & Beauty, Media, Sport, and Health & Social Care. The event was a testament to the hard work and dedication of our students and staff, and it truly highlighted the exceptional talent within our community.

The evening was bustling with activity as prospective students and their families explored the various departments. Our Hair & Beauty students demonstrated their skills with live demonstrations, creating stunning hairstyles and makeup looks that left everyone in awe. Over in the Media department, visitors were treated to a behind-the-scenes look at our state-of-the-art facilities, where students showcased their projects and shared their experiences.

The Sport department was equally impressive, with students engaging visitors in interactive activities and sharing insights into their rigorous training programs. Meanwhile, the Health & Social Care department provided valuable information on the vital role their students play in the community, highlighting the importance of compassionate care and professional excellence.

A special mention must go to our incredible student helpers, whose enthusiasm and dedication were instrumental in making the evening a success. They guided visitors, answered questions, and ensured that everything ran smoothly. Their hard work did not go unnoticed, and we are immensely proud of their contributions.

The turnout for the Open Evening exceeded our expectations, with a steady stream of visitors throughout the night. The positive feedback we received was overwhelming, with many attendees expressing their admiration for the quality of our programs and the professionalism of our students and staff.

We extend our heartfelt thanks to everyone who attended and contributed to the success of the event. Your support and engagement are what make our community so special. We look forward to welcoming many new faces to our programs and continuing to nurture the talents of our students.

As we reflect on this successful event, we are excited about the future and the opportunities it holds for our students. We remain committed to providing an exceptional educational experience and supporting our students in achieving their goals.

Thank you once again to everyone who made our Open Evening a night to remember. Here's to many more successful events in the future!

Year 9 and 10 Science Museum Trip

On Wednesday 25th October, students in Years 9 and 10 at Parkside will be taking part on a trip to The Science Museum in London. During the trip, students will be taking part in educational workshops, and an interactive gallery where they will participate in a hands on gaming experience. Students will also visit the wonder lab and watch a show which explores how rockets get into space and safely back down to earth again! Students will be travelling to and from the Science Museum via public transport and will be required to wear college uniform.

Upcoming Enrichment Week

The next Enrichment Week will take place from Monday 28th October through to Friday 1st November 2024. Students in Years 9,10 and 11 will be invited to attend sessions to support them in catching up with their learning. Letters have been sent home to parents, guardians and carers with full details of the intervention classes, activities and catch-up sessions. If you have any questions or require any further information, please do not hesitate to contact the College.

College Uniform

The College uniform plays a valuable role in supporting positive behaviour for learning and contributes to the ethos of the College. All students are required to wear full college uniform when attending college for normal lessons, representing their college, or when participating in a college event outside normal college hours and on educational trips and visits. Should there be an opportunity for the College to host an internal event or facilitate a VIP (very important person) visit, it is essential that students continue to project a positive image of the College. As such, all students are required to wear full college uniform in order to participate in special events.

Mobile Telephones

While the College accepts that some parents, guardians and carers wish their child to carry a mobile telephone for reasons of personal safety as they travel to and from college, they must remain switched off and kept out of sight during the College day. It is the policy of the College for all Key Stage 3 students to hand in their mobile telephones to their form tutors at the beginning of each day. The telephones are then securely stored until the end of the day when they are returned to the students. Please note that the College will not accept liability for the safe keeping of a mobile phone; it will remain the responsibility of the student at all times. Use of a mobile phone during college hours will lead to sanctions being imposed, up to and including confiscation.

Quote of the Week

'You can teach a student a lesson for a day; but if you can teach him to learn by creating curiosity, he will continue the learning process for as long as he lives'.

Clay P. Bedford

	Week Commencing: Monday 23rd September
	MENU 4

MONDAY		
Meal Choice 1	Beef Lasagne with Fresh Salad	Halal
Meal Choice 2	Spaghetti Bolognese	Halal
Meal Choice 3	Spaghetti Bolognese	Non Halal
