

November Enrichment Week

From Monday 8th to Friday 12th November, students attended college for Enrichment Week, using this time to enhance and enrich their learning through captivating intervention sessions, filling the gaps in their learning, whilst catching up on coursework.

Hospitality students in Year 11 were out to impress the judges, showcasing their culinary abilities and passion for food through delicious tasks as if on MasterChef! They each prepared a dish as part of their coursework which was evaluated by members of staff and were marked on the preparation, presentation and taste of their dish. Students honed in on their specialities whilst channelling their inner connoisseur, challenging themselves by enhancing plate presentation through creative, graceful garnishes and the results were an extraordinary feat!

Media students in Years 9, 10 and 11 were given the opportunity to develop sector specific knowledge and improve their short videos which are also required as part of their coursework, using this time to capitalise on the formative evaluation of their videos and develop their video content. Mathematics, English and Science were subjects on offer to students in Years 10 and 11 who require further support in these specific subject areas.

Students made the most of the time that was available through a comprehensive week boosting self-confidence, instilling self-motivation and improving future employability.

Post 16 Open Evening

The Rosedale Hewens Academy Trust is excited to announce its Post 16 Open Evening, held to support all local young people in choosing the best possible pathway for success, as they work towards graduating from their secondary education. The evening will aim to guide parents, guardians, carers and prospective students through The Trust's Post 16 offer, where they will be taken on a journey through the four colleges within The Trust and guided through the different curriculum areas, demonstrating what Post 16 teaching and learning looks like, as it is a step up from GCSE. From the wide variety of subject areas on offer, students and their families will be able to gauge the examination boards used, the modules covered in both Year 12 and 13, and will receive a comprehensive overview of what the course demands from its students.

The event promises to be informative and enlightening for all. From the career-focused courses offered at The Trust to our extensive enrichment opportunities, students and their families are invited to join us on Monday 22nd November at 6:00pm to find out just what makes Post 16 at The Rosedale Hewens Academy Trust an offer that cannot be missed!

In order to keep the crowds to a minimum, we would appreciate if we could limit the guests to one adult per prospective student. In the meantime, please feel free to explore our Post 16 provision at (<https://trhat.co.uk/explore-post16/>).

Public Examinations - Summer 2022

The Public Examinations page on our college website provides information about the summer 2022 examinations for Year 11 and Year 13 students. There are also some useful links for students and parents, guardians and carers about revision tips, study skills and managing examination stress. Please visit (<https://www.parksidestudiocollege.co.uk/118/public-examinations>) for access to these resources. Year 11 have been learning about revision techniques and have been given a revision techniques booklet to help them plan their own revision timetable.

Flu Immunisation – Years 9, 10 and 11

On Tuesday 7th December, the NHS Immunisation Team will carry out the Nasal Flu Immunisation to our students in Years 9, 10 and 11. Consent forms and further information with regard to this has been sent home. Completed consent forms should be returned back to your child's form tutor by Monday 22nd November. The immunisations will only be carried out on students who have parental consent and have brought back the consent forms.

Physical Education (PE) – Reminder Regarding Kit

Parents, guardians and carers are reminded that all students are required to attend Physical Education (PE) lessons with their full PE kit regardless of whether or not they are taking part in activities due to an illness or injury. If you have requested for your child to be excused from taking part in a PE lesson due to illness or injury and you believe that your child changing into their kit for the duration of the lesson will make their illness or injury worse, or cause unnecessary pain or discomfort, please ensure you provide the College with a letter to this effect.

Week Commencing: *Monday 22nd November*
