

National Numeracy Day

On Wednesday 18th May, students at Parkside Studio College celebrated National Numeracy Day. They learnt that National Numeracy Day was founded in 2018 by the National Numeracy Charity, which focuses on recognising the large part numbers play in our daily lives!

Students completed various activities; they found out that numeracy is more than just complex calculations and can range from the sport that people watch, the books that people read, to when people go shopping and use money! Students had fun and gained valuable insight into how Mathematics is used in our day-to-day lives.

Year 11 Prom Extravaganza - Extended Date

The Year 11 Prom is underway, and while the deadline for payment was initially to be made by Monday 23rd May, we have now extended the date to **Friday 10th June** due to the fantastic turnout we have seen in previous years, and to allow more time for those who have not yet purchased their tickets.

You will have seen the video montage on screen and heard about the events of the past, but this year's prom is like no other!

With five hours of the gala devoted to good food, socialising and making memories to last a lifetime, this provides a backdrop for the most anticipated annual gathering that will have far more to offer.

For those who have already purchased tickets, you will be entitled to a **VR (Virtual Reality) or gaming experience** at the Trust where you will be able to explore the entire 360 degrees of an entire scene through a VR headset. For all of those yet to purchase tickets, there are still some great opportunities to take part in.

In lieu of the conventional prom, as a ticket holder you will receive:

- ☆ *the opportunity to take part in an internal competition designing a **Snapchat Geofilter**, with the possibility of your entry being submitted to Snapchat for use on the day, making it all the more personal*
- ☆ *the opportunity for students to showcase their talent at the venue and perform for our attendees*
- ☆ *access to a cutting edge **360 photo booth** to capture the entire experience with one button – a publicity dream for our superstars of the night*
- ☆ ***Special Guest attendance***
- ☆ *five hours of unforgettable, memories!*

To change the course of the night further, this year's event will see the full professional photography studio experience with contemporary backdrops, great lighting and the opportunity to **receive high quality photo prints instantly**.

Following the last few years that has stripped away milestones, freedom and opportunities, the Year 11 Prom will be a great way for students to celebrate the culmination of their Year 11 experience. This year's event will be exhilarating, bespoke and there will be a series of 'wow' moments that students will carry with them for the rest of their lives. We have a number of exclusive things lined up; so, get your tickets and experience the Year 11 Prom in the most extraordinary way!

Please note, we are now offering an alternative payment option. Cash payments will now be accepted in addition to iPayimpact, and should be handed in to **Mrs Vara** to secure your child's place.

Should you wish to discuss the details of the Year 11 Prom, please contact **Miss Patel** at apatel@trhat.org.

Sky Academy Trip - Tuesday 31st May

On Tuesday 31st May, students in Year 10 along with Year 9 Media students will be visiting the Sky Academy headquarters in Osterley. Students will leave Parkside at approximately 1:15pm and return back to Parkside at approximately 4:00pm. Students will need to be in full college uniform and bring a packed lunch. Those in receipt of a Free School meal will have a packed lunch provided for them.

Bank Holidays - Thursday 2nd and Friday 3rd June

Please note that Thursday 2nd June is the Spring Bank Holiday which will be followed by the Platinum Jubilee Bank Holiday on Friday 3rd June, therefore the College will be closed. College will resume at the normal time of 8:45am on Monday 6th June. Thank you.

Free Guided Cycle Ride

The London Borough of Hillingdon have organised free guided cycle rides this summer, designed to allow you to ride at your own pace, increase heart rate and improve well-being. The ride leaders are employees of Hillingdon Council and are keen cyclists who have been trained to guide groups of people.

Upcoming rides include family cycle rides, medium cycle rides and medium-long cycle rides; all routes will be fun, safe and interesting with the distance, duration and terrain of the ride varying according to the type of ride. For more information about the available dates and to book your place, please visit (<https://www.hillingdon.gov.uk/article/5202/Guided-cycle-rides>).

No Smoking, Vaping and Use of Electronic Cigarettes

Smoking constitutes a fire risk and is a proven hazard to our health. Although harmful to all, passive smoking is particularly dangerous for babies and children. Parents, guardians and carers are reminded that smoking, vaping and use of electronic cigarettes is strictly prohibited on the College grounds and is not permitted outside the College gates. Please support us in our duty of care for your child by ensuring that you adhere to our 'No Smoking' policy. Thank you.

Public Examinations

The summer examinations for GCSEs, AS and A Levels will resume this year for the first time since the coronavirus pandemic. Ofqual and the Department for Education (DfE) recognise the difficulties students may have faced during this time and have made necessary changes to this year's arrangements to support students.

Examination boards have published advance information for examinations in most subjects, giving an overview of the support being provided for each qualification for students taking their GCSEs, AS and A Levels this year. Please visit (<https://www.gov.uk/guidance/subject-by-subject-support-for-gcse-as-and-a-level-students-in-2022>) for further details.

We have updated our Public Examinations page with this information. Please visit (<https://www.parksidestudiocollege.co.uk/curriculum/public-examinations>) where you will also have access to a number of useful resources for students, parents, guardians and carers about revision tips, study skills and managing examination stress.
