

Year 11 Leavers Assembly

An assembly to celebrate the Year 11 leavers of 2022 was held on Friday 17th June. The morning began with an assembly which had students reflecting on their Key Stage 4 journey through an exciting video of events that students took part in whilst they were at Parkside, and heartfelt messages from teaching staff and the Principal. Students were then presented with certificates as a reward of their hard work and dedication this year, after which a final word of encouragement and well wishes were shared by the CEO of The Rosedale Hewens Academy Trust.

A delicious lunch was provided thereafter, as the students said their final goodbyes. The morning was a great way to celebrate the achievements of our students as they move on to their future choices.

Holiday Activity and Food Programme

Hillingdon's Holiday Activity and Food (HAF) Programme is a national initiative funded by the Department for Education (DfE) and managed locally by Hillingdon Council to enable children and young people to access free holiday provision over the summer period. It is open to those aged between 5 and 16 years old (including 4-year-olds if in Reception), and young people up to the age of 18 years old with Special, Educational, Needs and Disabilities (SEND) who are in receipt of Free School Meals. Through the programme, children and young people can develop new skills, take part in creative and physical activities, learn about food and cooking, and enjoy nutritious meals each day. To check whether your child qualifies for the HAF Programme, please visit (<https://www.hillingdon.gov.uk/article/9020/Information-for-parents>).

Health Protection in Educational Settings

Immunisation is a key intervention to help give children the best start in life. Evidence shows that school-based delivery of immunisations reduces health disparities by making access to vaccines easier for all.

As a Trust, we have a vital role to play in supporting the routine immunisation programme through effective sharing of information with parents, guardians and carers about the routine immunisations their children should be up to date with at key contact points. Further information about the vaccinations offered, the delivery of immunisation programmes and the outbreak response can be accessed via (<https://bit.ly/3N1K0t1>). For a wide range of immunisation support resources for educational settings, please visit (<https://www.healthpublications.gov.uk/Home.html>).

Term Dates

The 2022 to 2023 term dates are detailed on our website and can be accessed via (<https://www.parksidestudiocollege.co.uk/news-and-events/term-dates>). Please check these dates as they will be particularly helpful to parents, guardians or carers planning family holidays and activities.
