

Spring is in the Air at the Parkside Salon

We are thrilled to share the highlights from our recent Curls and Waves Day at Parkside Salon! This special event was a fantastic opportunity for our talented students to showcase their exceptional skills in curling and waving techniques. The salon was buzzing with creativity and excitement as each student transformed hair into stunning works of art.

One of the standout styles of the day was a beautifully crafted curly bob for Miss Porter, skilfully created by our talented student, Raiha. The precision and artistry displayed in this style were truly remarkable, earning admiration from everyone present.

Another highlight was the gorgeous beach wave look for Miss Cowie, expertly styled by Georgia. The effortless, flowing waves perfectly captured the essence of a beachy, carefree vibe, demonstrating Georgia's keen eye for detail and her ability to bring out the best in her client's hair.

Throughout the day, our students were busy practising and perfecting their techniques, guided by our experienced instructors. The dedication and passion of our students was evident in every style they created, from tight curls to loose waves and everything in between. It was inspiring to see their hard work and creativity come to life in such beautiful and diverse hairstyles.

We invite you to visit Parkside Salon and witness the magic happening here every day. Our students are constantly learning and growing, and events like Curls and Waves Day provide them with invaluable hands-on experience. We are incredibly proud of their progress and excited to see what they will achieve next. Look out for our next open day.
