

Lashes Day at Parkside

Hair and Beauty students at Parkside have been getting hands-on experience with eyelash application and technique, under the guidance of our qualified Lash Technician. Students practised a range of professional techniques, including:

- Strip lash application- mastering placement for a flawless finish.
- Cluster lash application – creating volume and dimension with precision.
- Adhesive control – learning the perfect amount for secure yet comfortable wear.
- Lash mapping – planning styles to suit different eye shapes
- Safe Removal Methods - ensuring client comfort and lash health.

From natural looks to full glam, it was lashes all around, and the results spoke for themselves. Students thoroughly enjoyed the experience!

Physical Education Kit

Physical activity is integral to the good health of our students and thus, suitable Physical Education (PE) kit is essential in ensuring that students access the PE national curriculum to its potential, and participate safely and comfortably in physical activity at college.

PE is a compulsory activity that all students must take part in and to ensure the safety of students, it is paramount that they wear the correct clothing. This consists of a polo shirt, blazer, red socks with the Parkside College logo on each item, all of which are compulsory, as well as a pair of trainers (any brand and colour). Students also have the choice of wearing either the Parkside tracksuit or the Parkside shorts; other branded tracksuits and hoodies are strictly prohibited.

If students do not attend in their full PE kit, they will not be able to engage in the practical lesson, and will receive the appropriate sanctions in accordance with our policy.
