

Student Council Assembly Update!

During the February Half Term, Parkside's Hair and Beauty students were buzzing with excitement as we opened our salon doors to friends and family. The atmosphere was filled with energy, laughter, and the unmistakable hum of hairdryers as our talented students showcased their developing skills in a salon environment.

Guests were treated to a range of services, including beautiful blow dries, relaxing massages, rejuvenating facials, and nail treatments. From sleek, smooth styles to voluminous curls, our hair students demonstrated excellent technique and creativity. Meanwhile, clients enjoying massages and facials experienced the calming, therapeutic benefits delivered with care and professionalism. The nail station was equally popular, with a variety of looks leaving clients feeling pampered and polished.

The event provided an invaluable opportunity for students to build confidence, practise client communication, and gain hands-on experience in a supportive and welcoming setting. Working with real clients — especially familiar faces — helped them refine their technical skills while maintaining professional standards throughout the day.

Feedback from visitors was overwhelmingly positive, with many commenting on the friendly, professional manner of our students. It was wonderful to see our learners thriving in a live environment and taking pride in their work.

A huge thank you to all the family and friends who came along to support our learners, your encouragement means a lot to them and us.

And of course a big shoutout to our two amazing Hair and Beauty teachers, whose dedication, skill and passion empower our students to shine every single day!

We look forward to welcoming you to our next salon event
