

Royal Navy Workshop

On Monday 23rd February, The Royal Navy engaged Year 9 and 10 Parkside students in an interactive leadership workshop that prompted teamwork and collaboration. The students were introduced into the varying roles of the Royal Navy before exploring the exciting apprenticeship opportunities for young people. The second half of the session was interactive, and students were given the task of building a mobile two wheeled cart able to race around an obstacle course. This valuable workshop highlighted the positive impacts joining the Royal Navy can make on both career opportunities and continuous skills development. Students enjoyed working together during the workshop
