Salon Bring a VIP Day – *Enrichment Week*

As part of our November Enrichment Week, students took part in an exciting Salon Pamper Day, where they had the opportunity to bring in their very own VIPs and step into the world of Hair and Beauty to put their practical skills into action.

Throughout the session, students enjoyed delivering a range of pampering treatments, creating a relaxing salon experience while developing their practical abilities, customer service skills and confidence. They had the opportunity to practise their techniques, work with others and understand the importance of professionalism, presentation and making clients feel special.

Throughout the visit, students had the opportunity to discover how Cadbury developed from a small business into a globally recognised brand. The experience highlighted the importance of innovation, effective marketing strategies, quality control and maintaining a strong brand identity in a competitive market.

The trip also encouraged students to make connections between business theory and real-world practice. By exploring Cadbury's history, products and customer experience, students were able to appreciate how successful businesses adapt to changing consumer needs while maintaining their reputation.

The session was a fantastic opportunity for students to showcase their talents, develop their skills and experience what it is like to work in a real salon environment.

A wonderful day of learning, creativity and pampering, with students doing a fantastic job!

Stay Safe This Winter

As the darker evenings and colder weather arrive, we encourage families to take a few extra precautions to help keep children safe. Please remind young people to stay aware of their surroundings when using mobile phones in public and to take care of valuable items when travelling to and from school. Families should also be aware that many e-scooters and e-bikes are not permitted for use in public places and should ensure they understand the legal requirements before purchasing or using them. Working together, we can help keep our community safe and informed throughout the winter months.

Winter Festival 2026

Join us for the Winter Festival, an exciting evening of live music and dance performed by our talented students. This year's theme, "The Epic Winter Show", promises a fantastic celebration of creativity and performance. The show will take place on Wednesday 9th December 2026 and Thursday 10th December 2026 at Hewens College, with refreshments available from 5:45pm and the performance starting at 6:30pm. Tickets will be available to purchase via iPay, so please keep an eye out for further information. We look forward to welcoming you for what is sure to be a wonderful festive event!
